Online**

Learning Objectives: *As a result of participating in this Live Activity, participants should be able to:*

- 1 Describe the major scientific purpose of syndromal classification*
- 2 List at least one key known process of change in the areas of emotion, cognition, attention, and motivation.*
- 3 Describe the two defining features of ergodicity and state why these undermine classical normative statistics as applied to individual clients.*

Accreditation Statement: In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement: Hartford Healthcare designates this Live Activity for 1.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with their participation.

Financial Disclosures:

- Steven C Hayes, PhD: Nothing to disclose - 12/03/2021
