Online**

Learning Objectives: *As a result of participating in this Live Activity, participants should be able to:*

- 1 Identify at least two reasons it is important to address PTSD among those seeking Substance Use Disorder (SUD) treatment who present with comorbid trauma-related conditions.*
- 2 Name at least three reasons patients may not be receiving an adequate dose of effective PTSD treatment (both within and outside of SUD Specialty Care).*
- 3 Describe at least way that PTSD treatments (e.g., written exposure therapy) might be incorporated into SUD Specialty Clinics*

Accreditation Statement: In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement: Hartford Healthcare designates this Live Activity for 1.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with their participation. This activity is approved for 1.25 ANCC contact hour(s).
