

Cognitive Changes Following Bariatric Surgery

presented by

John Gunstad, PhD

5/18/2023 12:00:00 PM

Learning Objectives: *As a result of participating in this Live Activity, participants should be able to:*

- 1 Identify the patterns and severity of cognitive impairment in persons with obesity*
- 2 Introduce possible mechanisms linking obesity to poor neurological outcomes*
- 3 Evaluate the neurocognitive benefits of metabolic/bariatric surgery*

Accreditation Statement: In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement: Hartford Healthcare designates this Live Activity for 1.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with their participation. This activity is approved for 1.25 ANCC contact hour(s).
