

# Post-Operative Increased Intracranial Pressure

presented by

**Alison Triebwasser, PA**

**7/7/2023, 10:00am-11:30am**  
**CESI @ Hartford Hospital**

**Learning Objectives:** *As a result of participating in this Live Activity, participants should be able to:*

- 1 Recognize the signs and symptoms of increased intracranial pressure in a post-op patient*
- 2 Perform a thorough work up for possible causes of increased ICP and altered mental status*
- 3 Develop an appropriate plan of care for the management of acutely increased intracranial pressures in a post-op patient*

**Accreditation Statement:** In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

**Credit Designation Statement:** Hartford Healthcare designates this Live Activity for 1.50 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with their participation.

**Financial Disclosures:**
