

Challenges in Treating Substance Use Disorder Case Conference and Education (2024)

Case discussion

presented by

Jonathan Allen, MD

9/19/2024 11:00:00 AM

Learning Objectives: *As a result of participating in this Live Activity, participants should be able to:*

- 1 Utilize opioid replacement and other medications to safely induct patients with Opioid Use Disorder onto buprenorphine or other FDA approved medication for OUD*
- 2 Review specific patient cases where benzodiazepine and other medications could safely manage withdrawal from alcohol or sedative hypnotics.*
- 3 Discuss appropriate levels of care within HHC for patients with SUD*
- 4 Identify internal and external resources for treatment, recovery, and support for patients with Substance Use Disorder.*

Accreditation Statement: In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement: Hartford Healthcare designates this Live Activity for 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with their participation. This activity is approved for 1.00 ANCC contact hour(s).
