HHC Fairfield/QU Netter Psychiatry Grand Rounds (2026)

Hartford HealthCare

Psychiatrists' Leadership of Care

presented by

Tobias Wasser

12/2/2026 12:00:00 PM
Zoom & In Person (Contact Activity Coordinator or sponsoring department for more information)

Learning Objectives: *As a result of participating in this Live Activity, participants should be able to:*

1 Describe patient responsiveness dimensions that enhance treatment outcomes.
2 Discuss trends and results of treatment in order to determine guidelines and protocols for behavioral health patients.
3 Assess rapidly patients' stage of change for a particular disorder.
4 Integrate the latest evidence-based guidelines in order to provide optimal care to patients in various treatment settings.
5 Describe strategies to enhance communication and apply principles of team-based care.
6 Develop strategies to improve quality and safety in psychiatric services.
7 Integrate interprofessional roles in advancing mental health equity through care coordination, advocacy, and community partnerships.
8 Describe workforce and health-system trends influencing the evolving clinical and system leadership roles of psychiatrists.
9 Differentiate the responsibilities of psychiatrists in direct care, consultation, supervision, clinical escalation, care-model design, and system-level accountability.
10 Apply principles of role clarity, patient complexity, clinical risk, and appropriate escalation when designing or evaluating physician-led, interprofessional mental health care models.

Accreditation Statement: In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.
