

## ***Working with Psychologically Complex Patients: Personality Disorders & Trauma***

presented by

***Rachel Cavallaro, PsyD***

**4/17/2026 12:00:00 PM**

**Teams (Contact Activity Coordinator for link)**

**Learning Objectives:** *As a result of participating in this Live Activity, participants should be able to:*

- 1 Describe how Cluster B personality traits (e.g., emotional dysregulation, interpersonal volatility, splitting, impulsivity) manifest in transplant settings.*
- 2 Recognize trauma related adaptations—hypervigilance, avoidance, mistrust, somatic focus—that affect medical engagement*
- 3 Use multidisciplinary alignment techniques to mitigate staff splitting and burnout when working with high needs patients*

**Accreditation Statement:** In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

**Credit Designation Statement:** This activity was planned by and for the healthcare team, and learners will receive 1.00 Interprofessional Continuing Education (IPCE) credit for learning and change. Hartford Healthcare designates this Live Activity for 1.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with their participation. This activity is approved for 1.00 ANCC contact hour(s). This activity is approved for 1.00 ACPE contact hour(s).

**Financial Disclosures:**
