

# To Access Pre- or Post-Test in CloudCME

1. Pre-register for the activity (pre-test) or Text Event Code during activity (post-test)
2. Sign into your CloudCME account through the internet at <https://hhchealth.cloud-cme.com>
  - You cannot complete a test in the mobile app
3. Click on orange *MY CME* tab
4. Click on *Tests* box
5. Scroll to find associated activity
6. Complete Test
  - Pre-test **PRIOR TO** activity
  - Complete Post-test **AFTER** activity
7. Most activities with a post-test will also have an evaluation. Click on *MY CME* again and then choose Evaluations.
