

# Concussion Collaboration: Uniting Medical Experts for Advanced Care

Thursday, May 16, 2024 • 6:00 PM – 8:30 PM

MidState Medical Center, Family Health Center, 61 Pomeroy Ave

Registration Required! [Click Here](#) or Scan QR Code

**Learning Objectives:** As a result of participating in this Live Activity, participants should be able to:

1. Review current risk reduction and prevention against potential concussive injuries
2. Discuss latest research and evidence-based treatment approaches.
3. Identify patient subtypes and evaluation and treatment methods to employ for those subtypes to optimize outcomes
4. Improve the teams' ability to identify the unique value that each discipline and medical provider can bring the patients care to improve collaboration and referral patterns
5. Increase consistency of care delivery models within our healthcare system

See registration website for CE information.
